## LOVE AND FRIENDSHIP IN BLOOM

Whether you give or receive pink roses, they express the gentle, heartfelt love shared between friends and family. Their softly toned petals and sweet scent promise affection, gratitude and joy – the perfect gesture to celebrate a cherished bond or festive occasion. Paired with delicate sprigs of baby's-breath, this bouquet of pink LEGO® roses brings an air of lightness, warmth and beauty to any space.

## GATHER ROSEBUDS TOGETHER

From buds to partially opened flowers to roses in full bloom, your pink LEGO® roses show a range of different opening stages, in gradient colours of pink to mimic live flowers. You can savour the building experience by yourself or share the three instruction booklets with loved ones to build together.
